Baking Up Silent E Words!

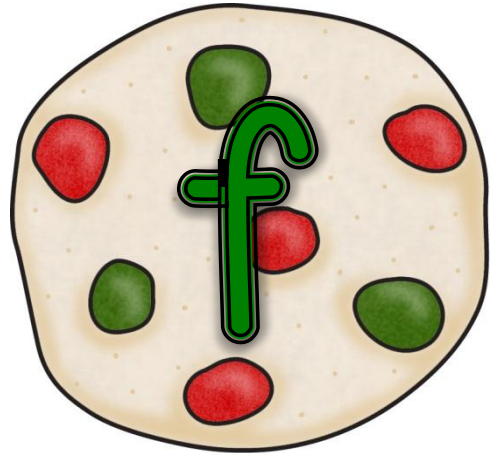

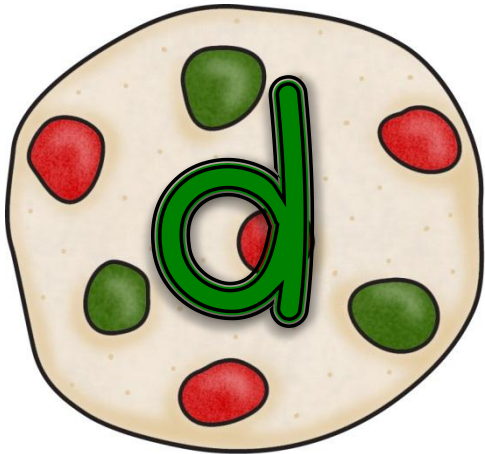

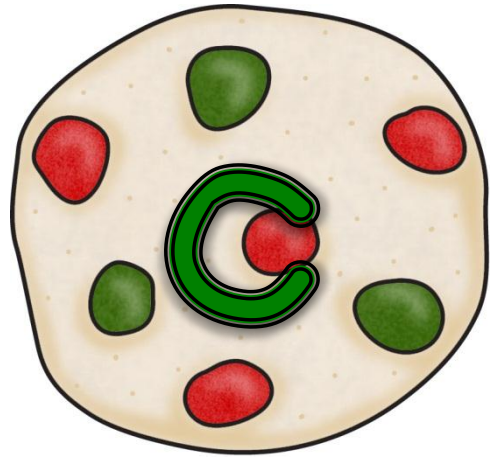

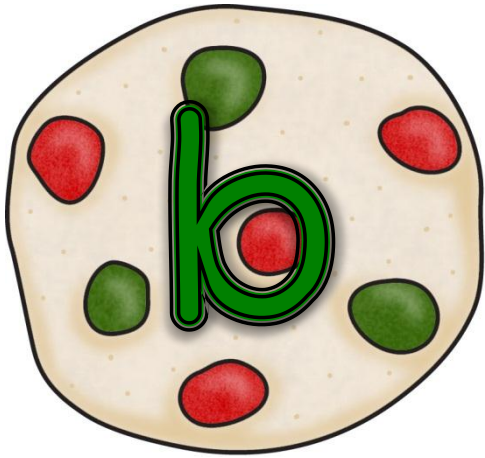

Instructions for Use:

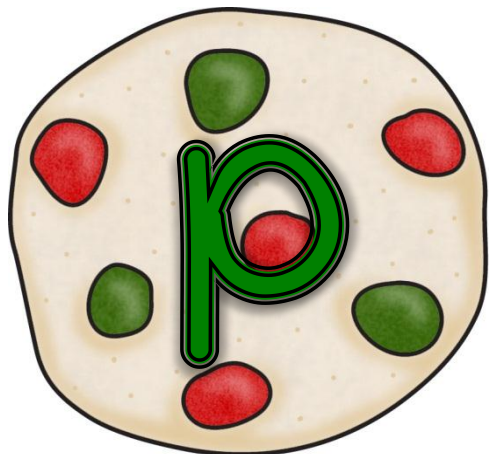

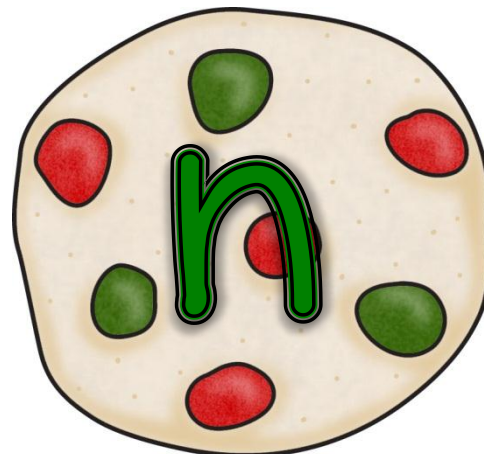

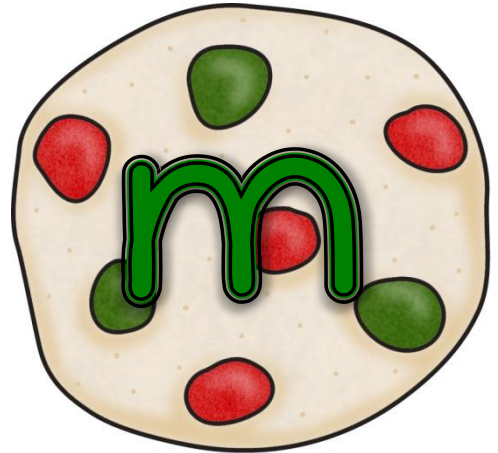

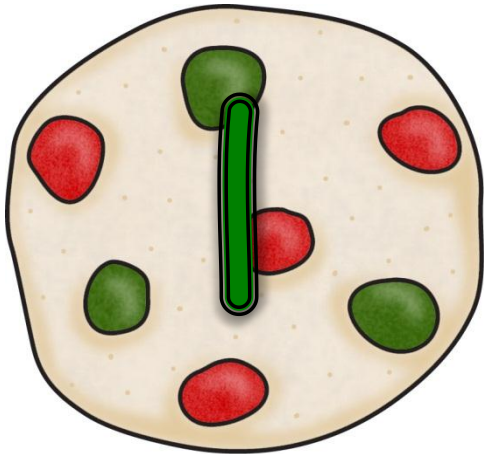

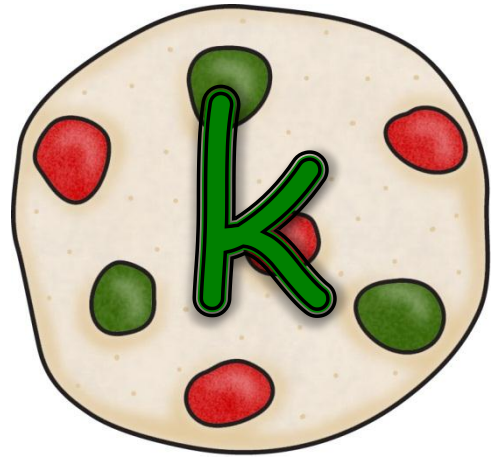

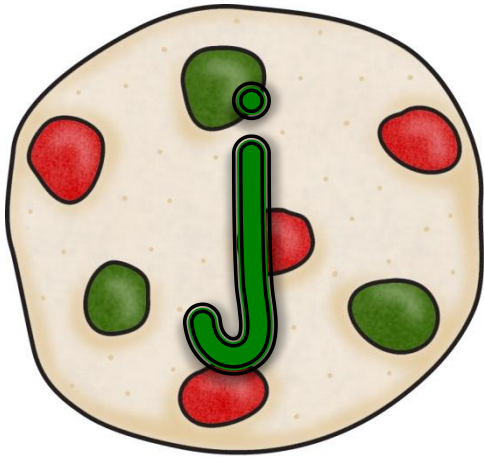

Print and cut out all cards. Cut along black outline or around the cookie shape.
Optional: laminate for durability.

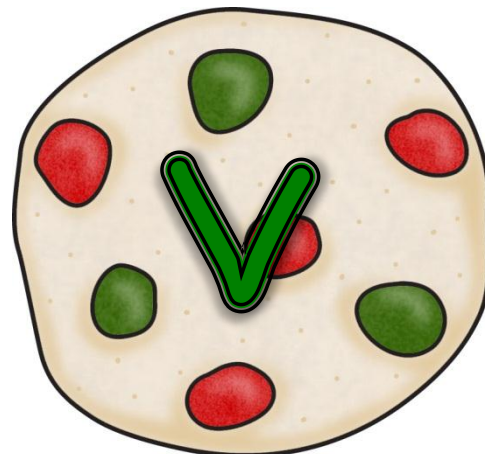

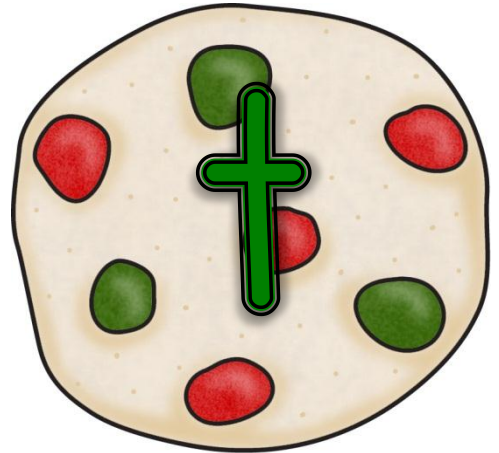

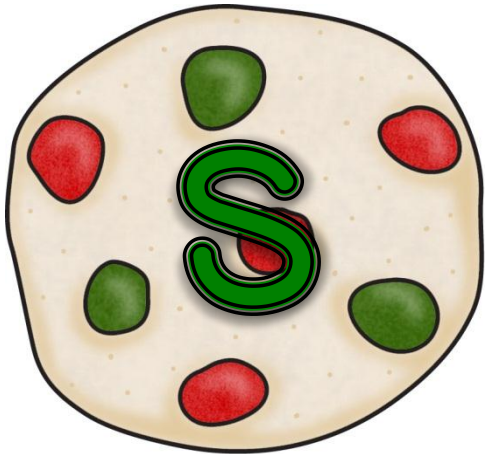

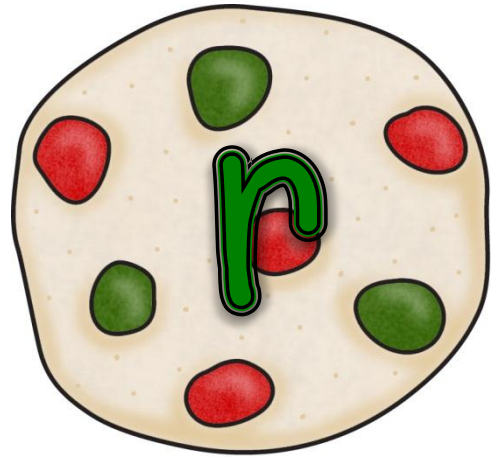

Activity Directions:

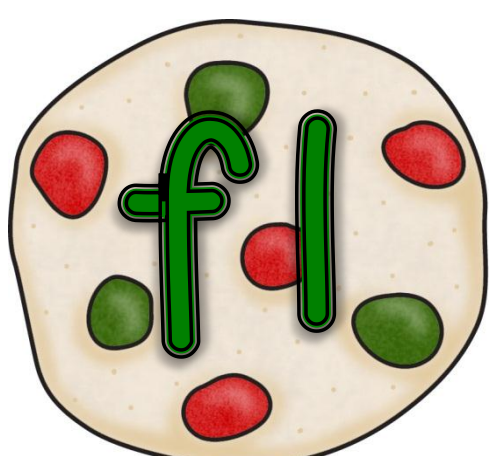

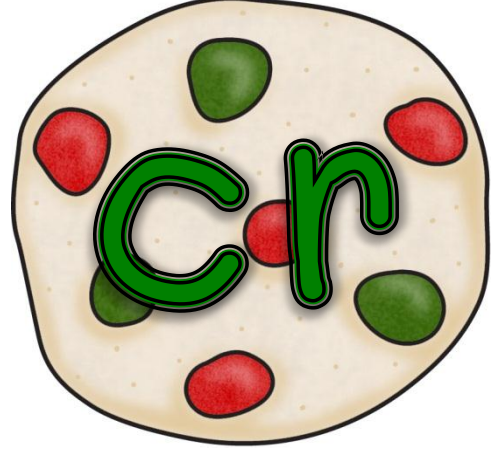

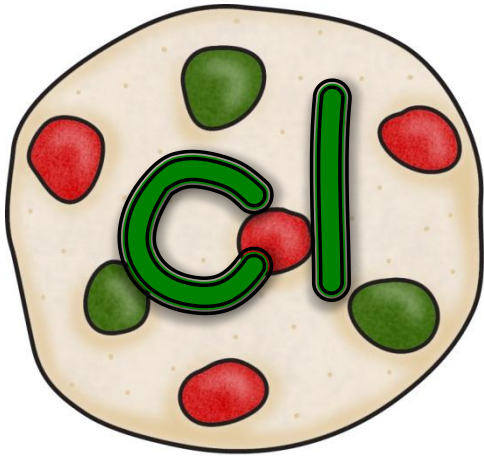

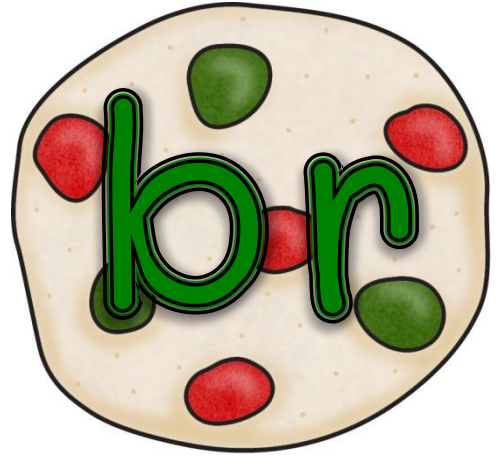

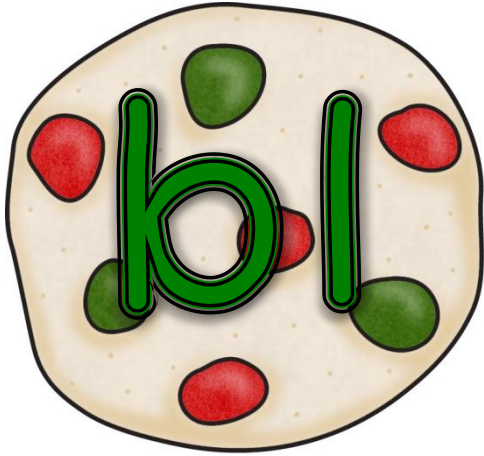

Sort the cookie cards into 3 piles by cookie type. Students then select top card of each pile (initial, medial, & final) to form a word. My students place the cards on a cookie sheet. If you do not have a cookie sheet, print out page 17 😊. Student blends the new word & identifies it as real or “nonsense.”
Optional recording pages are included to use at a literacy work station.
